Local Dealer:

The **FD 6104 Low-Volume Inserter** features a **full-color touchscreen control panel** and **wizard-based software** to guide operators through setup and operation. It provides quick access to saved jobs, right on the home screen, while bold icons indicate the status of each feeder. Users can **program up to 15 jobs** for instant, one-touch operation. Standard features include **2 fully-automatic sheet feeders**, **1 automatic insert/BRE feeder**, **double document detection**, **cascade mode**, and **ECO mode**. It processes **documents up to 14" in length**, producing **up to filled 1,350 envelopes per hour**. With a small footprint, and affordable price point, it's ideal for any size organization to enjoy the benefits of automated folding and inserting.

Intuitive Color Touchscreen
Graphical interface for quick and easy setup with job list on the home screen

Easy Load Feeders
Top loading with adjustable side guides

Adjustable Catch Tray
Holds up to 100 envelopes, #10 and 6" x 9.5"

Dedicated BRE/Insert Feeder
Fold and/or insert BREs or small inserts

Optional Fold-Only C-Fold Kit
Creates C-folded pieces which don't require inserting into an envelope
